

Helmed by Chef Ricardo Chaneton, MONO offers a singular tasting menu encapsulating Latin America's complex culinary heritage, elevated by Ricardo's technical mastery of French fine dining.

The intimate 30-seater restaurant features a large chef's counter—the heart and soul of the house where guests can enjoy their meal while watching Chef Ricardo and his talented kitchen team dishing out the plates.

MONO is passionate about doing our part in helping Mother Earth and has teamed up with Zero Foodprint, an international non-profit organization committed to building a renewable food system rooted in healthy soil.
